

## MARCH CREW PROGRAM

# The State of the Market: From the Lender's Perspective

The third in a series of "State of the Market" presentations, the March program will focus on how the region is faring from the view of several members of the lending community. A distinguished panel of speakers will educate you on the dizzying changes the market has absorbed and continues to experience as 2009 lumbers forward. Be there to ask the questions that puzzle us during these challenging economic times.

Stay up-to-date and attend this event! Panelists include:

**Constance G. Beck**, Vice President, Sr. Relationship Manager  
Chevy Chase Bank

**Kim Betancourt**, Director of Market Research,  
Housing and Community Development  
Fannie Mae

**Melanie Sieger**, MAI, MSRE, Senior Associate  
Reznick Group, P.C.
