Speed Networking

A Quick Way to Make New (Business) Friends!

Join us for an evening of fast-paced Speed-Networking! *Quick* is the optimum word as you enjoy a delicious load of appetizers and drinks before you embark on a productive round of speed networking. This unique approach to jumpstarting relationships will allow you to quickly introduce yourself to fellow attendees, pitch your business and move on to the next person.

We will convene at downtown Kensington's delightful **Café 1894**. This fun format allows participants to meet more people and make more contacts in one evening than a typical networking event. Enjoy a round of drinks and numerous appetizers before we begin speed networking. After you've met everyone, we'll serve up well-deserved desserts and coffee and count how many new friends we've all made!

Free parking is available across the street from the restaurant in the Safeway garage or at St. Paul's United Methodist church lot.
