Women in Real Estate: How Far Have We (*Really*) Come?

Listen to a generationally diverse panel of successful women with strong ties to CREW whose experiences will be drawn against the preliminary results of the soon-to-be released *Women in Commercial Real Estate 2010*, an independent benchmark study commissioned by CREW Network® that has evaluated pay and promotion levels for entrants into the commercial real estate field.

This event will also highlight and welcome CREW Maryland Suburban's new members.

We will focus on the value of CREW as a networking organization and will also touch upon the findings of *Glass Ceiling or Sticky Floor; The State of Women's Advancement in Commercial Real Estate*, a study conducted by CREW Network during 2009 which sought to ascertain the status of women in the real estate arena.

Please join our panelists for an interesting lunchtime presentation and interactive conversation all about women!
