

## SEPTEMBER BREAKFAST

### **Landmines and Goldmines in Bankruptcy: Commercial Real Estate Professionals**

Two noted professionals in the field will review the fundamentals of business bankruptcies, and discuss key issues for real estate professionals in Maryland, including GGP's bankruptcy implications on SPEs going forward, and highlight new cases that impact developers and builders, and landlord-tenant/shopping center issues.

On the other side of the coin the audience will glean sound advice on how to purchase distressed assets in and out of bankruptcy for those clients fortunate enough to be looking for investment vehicles in this economy. A timely presentation for these times of "opportunity!"

Speakers:

**Gabrielle M. Duvall**, Of Counsel  
Linowes and Blocher LLP

**Alan Eisler**, Principal  
Meyers | Eisler | Leatham LLC
