Happy Hour & Program:  
 The Work/Life Balance

Have you wondered how to succeed in your work and still have time for the other important things in your life: your family and other relationships, your health, and some much needed rest and relaxation?

Lilliam Machado, an employment law attorney with Furey, Doolan & Abell, LLP, will be on hand to offer suggestions and answer questions on how you can help balance your life and work.

We hope you can join us!

\$30 paid in advance, \$40 at the door.  
 Cost includes first 2 drinks and terrific appetizers!

Please make checks payable to CREW Maryland Suburban, and mail them to:
